

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Oasis Crescent Global Short Term Income Fund (the "Fund"), a Fund of Oasis Crescent Global Investment Funds (UK) ICVC (the "Company")

Class C (GBP) Shares (Acc), ISIN: GB00BLD0YH83; Class C (GBP) Shares (Inc), ISIN: GB00BM9LRZ16

This Fund is managed by Oasis Crescent Wealth (UK) Ltd, the Authorised Corporate Director ("ACD")

Objectives and Investment Policy

Objective:

The investment objective of the Fund is to provide monthly income.

Investment Policy:

- The Fund is actively managed in accordance with Shari'ah principles.
- The Fund will invest at least 80% of its Net Asset Value globally in income yielding debt securities, including fixed and/or floating rate instruments including, but not limited to commercial paper, floating rate notes, certificates of deposits, freely transferable promissory notes and bonds (government and/or corporate). The debt securities invested in will have an average weighted maturity of less than 2 years. Debt securities may be investment grade, non-investment grade, and unrated.
- The Fund may also invest in equities, including preference equities, of companies. The Fund may also invest in units in collective investment schemes and Real Estate Investment Trusts ("REITs"). The Fund may also invest in closed-ended property funds and trusts.
- The Fund is not restricted geographically.
- The Fund may only invest in derivatives for the purpose of efficient portfolio management.
- The collective investment schemes which the Fund may invest in may include other Funds of the Company or other collective investment schemes managed by the ACD or the Investment Manager. The Fund may not invest more than 10% of its Net Asset Value in collective investment schemes.

- The Fund may also hold investments in cash or cash equivalents which may comprise ancillary liquid assets (meaning cash, deposits or securities evidencing deposits issued by or guaranteed by an institution and money market funds).
- From time to time, where the Investment Manager considers it to be in the best interest of the Fund, the Fund may hold larger proportions of liquid assets.

Other Information:

- You can buy and sell shares in the Fund on any Dealing Day. Provided we receive your instruction before 2pm, shares will be bought/sold at that day's price.
- If you hold Income shares, any income from the Fund may be paid out to you, or used to purchase further shares in the Fund. Income is declared monthly.
- If you hold accumulating shares, any income will be rolled up into the value of your investments. As the Fund is managed in accordance with Shari'ah principles, income received by the fund which is 'non-permissible' will not be distributed to investors and will be paid to charity. Please see the prospectus for further details.

Recommendation: This Fund may not be appropriate for investors who plan to withdraw their money within three (3) years.

Risk and Reward profile

- The above risk number is based on historical data in relation to the rate at which the value of the Fund's proposed portfolio has moved up and down in the past.
- The above indicator is based on historical data and a modeled portfolio and may not be a reliable indication of the risk profile of the Fund.
- The risk and reward category shown is not guaranteed and may shift over time.
- The lowest category does not mean 'risk free'.
- Investment is only made in highly rated income yielding securities, and exposure to credit risk is considered low.

The Fund may be exposed to risks which the above risk number does not adequately capture. These may include:

- The value of stock market investments, and the income from them, will fluctuate. This will cause the Fund price to fall as well as rise and you may not get back the original amount you invested.
- Any investment in international companies means that currency exchange rate fluctuations will have an impact on the Fund.
- The Fund invests in a variety of geographic regions and countries concentrated in the real estate sector. It is therefore exposed to the market sentiment of those specific geographic regions and countries.

The general risk factors as appear under the heading "Risk Factors" in the Prospectus shall also apply

Charges for this Fund

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

Entry charge	0%
--------------	----

This is the maximum that might be taken out of your money before it is invested and/or before the proceeds of your investment are paid out to you.

Charges taken from the fund over a year

Ongoing charges	0.15%
-----------------	-------

- The entry charge shown is a maximum figure.
- The ongoing charges figure is based on estimated annual costs divided by 31 December 2024 average assets under management (AUM) for the year. Where income is insufficient to pay charges the residual amount will be taken from capital. They exclude portfolio transaction costs, except in the case of an entry charge paid by the fund when buying or selling units in another collective investment undertaking.
- A Switching fee of up to 2% may apply if you switch your shares into shares of other Funds of the Company.
- For more information about charges, please refer to the section headed 'Fees and expenses' of the Fund's Prospectus, which is available at www.oasiscrescent.com

Past Performance

- Past performance is not a guide to future performance and may not be repeated. The value of investments may go down as well as up and you may not get back the amount you originally invested.
- The Fund was launched following Oasis Crescent Global Short Term Income Fund I's ("OCGSTIF") merger with the Fund on 11 December 2020.
- Past Performance chart shows the past performance data of OCGSTIF Class A (USD) Dist launched on 13 November 2015.
- Performance data is shown in Pound Sterling after deduction of ongoing charges, portfolio transaction costs and taxes (where applicable). Non-permissible Income ("NPI") is a payment out of scheme property which is due to the mandate compliance of the Fund. NPI is included in the Fund performance calculation.
