“Those who have taqwa will be amid Gardens and Springs. ‘Enter them in peace, in complete security!’ We will strip away any rancour in their hearts – brothers, resting on couches face-to-face. They will not be affected by any tiredness there and they will never be made to leave. Tell My slaves that I am the Ever-Forgiving, the Most Merciful.”

08 Apr : 1 Dhul Qa'dah 1448 AH

“Glory be to Him who created all the pairs; from what the earth produces and from themselves and from things unknown to them. A sign for them is the night. We peel the day away from it and there they are in darkness. And the sun runs to its resting place. That is the decree of the Almighty, the All-Knowing. And we have decreed set phases for the moon, until it ends up looking like an old palm spathe.”
